

Pharmacy Technician (Permanent)
Monday to Friday: 37.5 hours per week
Annual Salary: £22,000 to £24,474
Closing Date: 1st February 2019
Interview Date: 8th February 2019
Applications from Graduates welcome.

We are currently looking for a hardworking, reliable person with excellent attention to detail skills to join our innovative forward thinking team at Frome Medical Centre.

Essential Qualifications:

- Educated to degree level or equivalent
- Registered Pharmacy Technician with GPhC or willingness to work towards this qualification
- Knowledge of medicines management, including relevant legislation or policies (candidates who do not have this but show a strong commitment to developing this maybe considered)
- Enthusiastic team player
- Ability to work well in a busy environment

Responsibilities will include:

- To play an active role ensuring regular medication audits are carried out and that key performance indicators for the team are actively monitored, reviewed and achieved
- To ensure dose optimisation on medicines and to oversee the team work for medication switches and synchronisation to ensure safe and effective prescribing
- To provide advice to GPs, staff and patients in changes to prescribing in order to support improvement of prescribing safety, quality and cost effectiveness
- To respond to medication queries from patients and staff in a professional manner referring to appropriate clinician as appropriate and ensure this ethos is present throughout the team

To apply, please complete the official Frome Medical Practice application form and email to: somccg.frome.hr@nhs.net
