

Patient Online Service Consent

Our online services are accessed via our website:

www.fromemedicalpractice.co.uk .

Manage your appointments

You can book and cancel some appointments online.

Requesting your repeat prescriptions

You can request your repeat medication to be ordered at your chosen Pharmacy.

View your medical records

You can view information about your medications and allergies online. Access to more detailed information from your medical record is available on request.

Updating your personal details

You can update your email address and mobile phone number online. Changes made through this service are then approved by practice staff.

Safe and secure

All data contained within the online system is protected using the highest standard internet security so you can be sure all your personal information is safe and secure.

Please see our privacy notice for patient online access on our website.

You will need to provide two forms of ID to sign up for online access.

- One form of ID must be photo ID and can include: passport, driving license or EEA/EU government issued ID cards.
- The other ID can include bank, credit union or building society account cards, credit cards, proof of age card, birth certificate, marriage certificate, National 60+ bus pass, car insurance

Please tick the relevant box below to sign up for or to stop using the online services.
